Action Taken Report of the Institution on Feedback

Academic year 2018-2019

Our institution is affiliated to JNTUA, Anantapur and the college academic curriculum is designed by the Board of Studies at the University. Board of Studies prepares curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals before preparing the Blueprint of curriculum.

Institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collated and analyzed at College academic meetings in the institution. Based on feedback requirement, institutions plan to arrange training programs both by Academicians and Industry experts. The curriculum provides the students with a common and challenging academic foundation before they begin courses that are specific to their fields of work and also enables the students to face the prestigious exams like GATE. Guest lecturers for the students on Soft skills and Personality development are arranged with experts. Plan to conduct JAM sessions to improve their communication skills.

Innuendoes about curriculum are conveyed by the Principal to the University through attending meetings in the University.

Action Taken Report of the Institution on Feedback

Academic year 2019-2020

This organization is affiliated to JNTUA, Anantapur and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals (of the affiliated colleges) before preparing the Blueprint of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collated and analyzed at College academic meetings in the institution. Based on feedback requirement, institutions plan to arrange training programs both by Academicians and Industry experts. Coordination is well maintained between the theory classes and the lab activities. Industrial visits are arranged to enrich the education. Mock interview sessions are arranged for getting placements. Ethics is introduced to improve their behavioral skills.

Instead of mere collating of the information even though obtained from the experts, required suggestions and remarks about curriculum are conveyed by the Principal to the University through attending meetings in the University and it is made perfect to suit the students - instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.
