Subject: National Digital Library : Request for Institute Registration

To: &lt;sving9@gmail.com&gt;

Dear Sir/Madam,

National Digital Library of India (NDL) is an initiative of Ministry of Human Resource Development (MHRD) through its National Mission on Education through Information and Communication Technology (NMEICT) to develop the pilot of a National Digital Library.

It is being developed and hosted at IIT Kharagpur. MHRD is scaling up NDL gradually with respect to content volume and diversity to make it a full-blown National Digital Library of India over time which will be a ubiquitous digital knowledge source of the nation. NDL currently hosts more than 65 lakh contents and has a user base of over 5 lakh users.

NDL is also available as an Android App and you may download the App from Google Play Store.

To take advantage of this Library and to be an active participant in this exercise of building a national asset, you are requested to register your Institute on NDL site at <https://ndl.iitkgp.ac.in>

Regards,
