

SREE VENKATESWARA COLLEGE OF ENGINEERING
NAAC 'A' Grade Accredited Institution,
An ISO 9001:: 2015 Certified Institution
(Approved by AICTE, New Delhi and Affiliated to JNTU, Anantapur)
Northrajupalem (Vi), Kodavaluru(M), S.P.S.R Nellore (Dt)-524316

Name of the Club: SVCN SPICY INGERIA CLUB (SSIC)

Date of Establishment of club: 2/6/2021

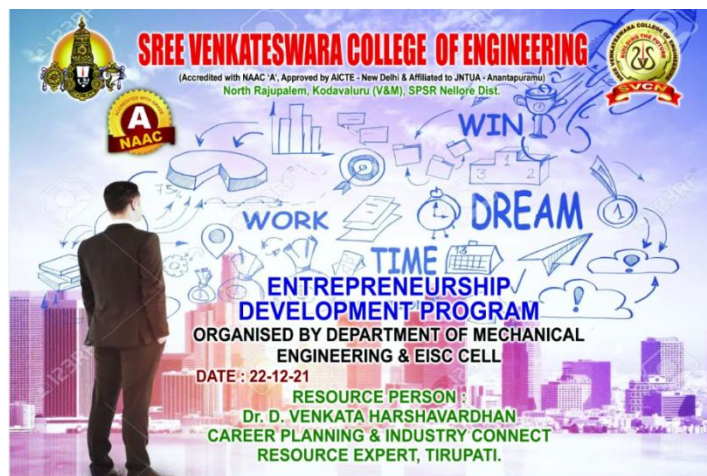

Vision

To build a strong Environment in the field of Engineering & Technology for developing young dynamic Engineers, researchers, future entrepreneurs who are adaptive to respond to the challenges of 21st century with Commitment of producing Disciplined human individuals capable of contributing their efforts to solve problems faced by the Society.

Details of National level events organized by the SSIC Club in last 3 years

1) Lab view workshop 2) Mobile Application Development workshop 3) Project Hackathon 4) ETAP workshop 5) CATIA workshop 6) Python workshop 7) Patent workshop 8) Entrepreneurship workshop

ENTREPRENEURSHIP WORKSHOPS

SREE VENKATESWARA COLLEGE OF ENGINEERING

(Accredited With NAAC 'A', Approved by AICTE, New Delhi & Affiliated to JNTUA, Ananthapuram)
 Golden nagar, NH16 Bypass Road, North Rajupalem, Kodavaluru(V&M), SPSR Nellore.

**AWARENESS PROGRAM ON
SKILL DEVELOPMENT &
ENTREPRENEURSHIP**

Jointly organized by NSS Unit & EISC cell of SVCN

Venue: Digi Hall - Date: 15.7.2022 - Time: 10.30 am

PRINCIPAL	DIRECTOR-ADMIN	CHAIRMAN
Dr.P. Kumar Babu	Mr.P. Krishna Chaithanya	Dr.P. Babu Naidu

Group photo with Dignitaries on World Youth Skills Day

PYTHON WORKSHOP

PATENT/IPR WORKSHOP

Details of regional/state level events organised by the SSCClub in last 3 years

TYPE OF EVENT GUEST DETAILS

1. Webinar Dr. D. Benet Bosco Dhas Founder and CEO, 30M Genomics Pvt Ltd.,
2. Webinar Dr. S. Arul Mugilan Bioinformatics expert Kamarajar Government College, Tirunelveli.
3. Let's talk- Technical ideation competition
- 4 a) Guest Lecture Mrs. Savithri Sivakumar Founder and Director Aaranya Biosciences Private Limited
Technical Quiz Workshop Dr. S. K. M. Habeeb Department of Genetic Engineering, SRM University. Technical advisor of Binte grater research solution.
- b) Guest Lecture Dr. Seethalakshmi Director Life teck research centre
"Scope and Objectives in water treatment Consultancies" Mr. K. Manikandan "Sustainable Environmental Design" Mr. K. Manikandan Waste Water Treatment processes Guna Paramasivam Solid waste Management (Smart Hackathon)
- c) Guest Lecture Roof top Gardening SECURED HARDWARE EMBEDDED DEVIVES
Dr. Sumathi Gokulanathan, AP Senior Grade I/ECE, VIT UNIVERSITY VELLORE.
- d) Seminar on Healthcare application using IOT Dr. A. AKILANDESWARI, Anna university
Industry applications of Simulink, Mr. Daivaraj, Ford Industrial IOT Mr. Sabari Raj, Axis global automation, Ashok nagar
- e) Seminar Mobile operated SCADA for Embedded applications Mr. Sridhar Vasu, Director, Trios technologies, Vadapalani.
- f) Industrial Visit Re tech solutions, thambaram, chennai
IEI on "Software Defined Radio - SDR" Mr. Nandhakumar Overview of CST Tool Dr. Thandiaprabhu
Hands-on session - "Antenna Design using CST" Ms. Shakthipriya Impact on 5G Technology
- g) Dr. Muthu -- Workshop Execution of RF communication in broadband
- h) Mr. Arun Organised a workshop on understanding Technology Readiness Level (TRL), and implications in Innovation Development

SSIC Club Outcomes

- SSC Helps the students in their Personal Development and gives the opportunity to meet a diverse population of people that allow them to expand their thinking and interest.
- SSC Allows them to develop leadership skills within an environment of their peers.
- SSC Develops the team work skills among the student community
- SSC Paves a roadmap and gives the students an Opportunities to network with people
- SSC promotes creativity and increases the technical know-how and productivity of all the students of the college.
- SSC unifies various branches of engineering and also symbolizes the importance of one branch with the other.
- SSC promotes hands-on and co-operative learning and also engages students in problem solving and higher order thinking.
- Students taking part in the SSC sessions with dedication get exposure to many other areas apart from their syllabus.
- SSC gives students the ability to create technology that has impact around us. Knowledge of computer programming helps their mind to think in a sensible and logical manner which can also help them to choose their field of career
- SSC Helps to provide the necessary platform for the students with the ambition and determination to pursue the life long journey of becoming an entrepreneur

Action plan for Next one year

The Club will motivate the students in the field of Innovation and Entrepreneurship by collecting their innovative ideas by interfacing them with the relevant industry experts they are stimulated to create POC and develop working prototypes from it to the outside world The club also arranges design thinking workshops to inculcate lateral thinking among the students which paves a roadmap for innovation The club will collectively Organize any allied Conferences, Workshops and Seminars in the respective emerging technologies of all streams .

No of awards in the club

*Young Researcher Award-Men	2020	*KMF AWARDS 2	
*Outstanding Innovative idea	2020	*AP project Contest 3	
*Young Researcher Award -Girl	2021	*Young Scientist Award	2022
*Nellore District Completion for idea			

No of Students in SSIC CLUB in 2021-2022 : 85 students
