POLICY FOR PERSONS WITH DISABILITIES

Sree Venkateswara College of Engineering was established by Sri Venkateswara Educational Society in the year 2011 to provide quality engineering and technical education to the rural and underprivileged lot on par with creamy layer of society. The institute is approved by AICTE, New Delhi and affiliated to JNTUA, Anantapuramu. SVCE envisages in the comprehensive development of students and offers qualitative, enduring and enriching education making it a dynamic hub of academic excellence.

Objectives of the policy

1. To create inclusive culture to avoid discrimination, exploitation and exclusion of disabled students and staff from all areas of work and education
2. To ensure implementation of all legislations with respect to persons with disabilities
3. To ensure full participation of persons with disabilities and to provide them the equal opportunities for development
4. To provide all the facilities in the campus for barrier free movement of persons with disabilities

Disability

Disability is a term that includes motor and sensory limitations like mobility, vision or hearing impairments. It also includes disabilities resulting from chronic illness and syndrome. Many disabilities vary in degree and type of limitation; therefore, accommodations must also vary and should be tailored to the needs of the individual.

Sree Venkateswara College of Engineering will constitute a specialized committee for people with disabilities which will be responsible in preparing, executing and amending policy and guidelines for persons with disabilities.

The major functions of this committee for persons with disabilities include

1. To address all disability related issues in the campus
2. To ensure overall accessibility for people with disability in the entire college campus
3. To determine major grievances pertaining to any matter of persons with disabilities. If it is not resolved it should be sent to the higher authorities.

Accessibility policy

Providing access means making all the services, activities and benefits thereof, fully available to qualified people with disabilities. The institution should provide various provisions in creating a disabled friendly campus. The college administration and faculty members should ensure appropriate/reasonable accommodations for each person with a disability and be willing to resolve access problems. The campus should be barrier free and accessible for differently abled persons.
