

SREE VENKATESWARA COLLEGE OF ENGINEERING

(Accredited with NAAC 'A', Approved by AICTE, New Delhi & Affiliated to JNTUA, Ananthapuramu)

ISO 9001::2015 Certified & "A" Grade Recognized College by A.P. State Government

Future Plan of Action for Next Academic Year (A.Y 2023-2024)

- Encourage faculty members to enhance their teaching & learning abilities with State of Art Research and involve faculty in Research Publications in Reputed Journals.
- Encourage faculty to apply for financial assistance from the funding agencies like DST/AICTE/SERB for organizing Seminars/FDP's/Conferences/Workshops & Research projects.
- Devise mechanisms and formulate rubrics to assess and record all program outcomes effectively through student group assignments for implementing Out Come Based Education (O.B.E) effectively.
- Explore avenues for Institute Industry collaborations through channelizing activities of Industry Institute Interaction Cell (IIIC)
- Encourage students to come out with Innovative ideas and startup proposals through EISC (Entrepreneurship Innovation Start up cell).
- Strengthening, Mentoring and giving Personal support for overall development of students through Effective Counseling System.
- To become a permanent affiliated college under JNTUA, Anantapuramu.
